

Federal Assistance Training Program

Training Announcement

Basic Grants Management

National Conservation Training Center

Shepherdstown, WV

April 11 - 14, 2005

(Travel dates are Sunday, April 10, and Friday, April 15)

Course Description:

This course is designed for anyone who deals with, or is currently responsible for, managing **Federal Aid in Sport Fish and Wildlife Restoration Grants**. The course is intended as a basic overview of the grants management process for individuals with less than 1.5 years experience with Federal Aid Grants.

Course Objectives:

Participants who complete this course will be able to:

- Explain the history and organization of the Federal Aid Program.
- Describe the roles and responsibilities of the Federal and State partners.
- Process and manage a basic Federal Aid grant.
- Use the Federal Aid Handbook and other resources.
- Build a network of professional contacts across state and regional boundaries.
